**VOLUNTARY ANNOUNCEMENT**  
**BUSINESS UPDATE**

**Successful Demonstration at CommunicaAsia 2016 in Singapore**

Reference is made to the announcement (the “**Announcement**”) of CMMB Vision Holdings Limited (the “**Company**”) dated 5 April 2016 and 24 May 2016 in relation to soft launch of services. Unless otherwise stated, terms defined in the Announcement shall have the same meanings when used in this announcement.

The Company last week has participated in the CommunicAsia 2016 in Singapore, the region’s largest annual communication trade-show, and hosted a series of successful demonstrations for its AMEGO TV product and service.

Many satellite operators, mobile operators, media operators, and broadcasters from around the region have attended our demonstrations and have expressed high interest for our product.

The product has drawn particular interest from leading operators from Indonesia and India, who currently are in discussion with the company for potential partnership.

AMEGO TV is the only satellite mobile TV service covering the whole Asia. It requires no mobile network, no data or roaming charges, and is especially suitable for vehicle and portable use.

AMEGO TV device is a satellite mobile set-top-box that can receive live-TV broadcast programs from the company's AsiaStar satellite and re-transmit them to Android and Apple-based devices via built-in WiFi.

AsiaStar has dedicated beams covering China, Southeast Asia, and India respectively. The company has recently launched AMEGO product for Southeast Asia recently.
