**Awarded as the “Best Enterprise”**

**by China’s Connected-Car Ecosystem Alliance - TIAA**

The Company is pleased to announce that its China joint-venture Global Vision has been awarded the Best Enterprise by China’s Telematics Industry Application Alliance (“TIAA”), the largest connected-car ecosystem industry group in China.

Selected out of 500 enterprise members, the Award signifies industry-wide recognition and validation toward Company’s satellite-based connected-car multimedia technology and service platform as well as its commercial value, which will greatly help advance Company’s commercial service launch.

TIAA is China’s largest connected-car ecosystem alliance, created by key government ministries such as Ministry of Industry and Information Technology (MIIT), Ministry of Transportation, and Standardization of the PRC, and joined by more than 500 industry enterprises coming from areas of auto manufacturing, auto electronic, software, telecommunication, Internet, and information technology. It is also the prime organization to promote and advance vehicle telematics, intelligent driving, transportation safety, and technology standards, as well as undertake key industry projects on behalf of China to converge with international organizations.

The Company warmly congratulate Global Vision and would like to thank TIAA for its encouragement and support.
