## **HONoured WITH “INNOVATIVE PRODUCT AWARD” BY ANNUAL CHINESE COMPANY GREAT VALUE AWARD 2017**

CMMB Vision Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the Company has been awarded the Innovative Product Award (the “**Award**”) at Metro Finance’s and CNFOL.com’s “Annual Chinese Company Great Value Award 2017”. The Award signifies the Group’s success in product innovation and industry-wide recognition for its satellite multimedia broadcasting technology.

The Award aims to encourage and reward the outstanding organizations from different industries for their innovative development and expand their exposure to investors for their business acumen and potential investment value while at the same time encouraging them to carry on the outstanding endeavor.

The Group is able to come out on top among many participating institutions from the People’s Republic of China, Hong Kong and Taiwan because of its innovative satellite-LTE converged mobile multimedia broadcasting technology and connected-car application “M-Box”, a testimony to its business value, competitiveness, and marketability. It also bolsters the Company’s brand reputation and credibility. Hence, the Award is especially meaningful.

Looking forward, the Company is committed to making its product application as a standard for China’s coming smart-cars, and will expand that to overseas One-Belt-One-Road countries. It will endeavor to bring popular Cloud-based content to everyone everywhere that would be data-free, abundant, and ubiquitous with its product so as to accommodate the escalating mobile content demand in the new Internet era while striving to be the largest mobile multimedia service provider.
